INFORMATION DISCLOSURE STATEMENT

Applicants request consideration of the references listed on the attached PTO-1449 form. Under 37 C.F.R. § 1.98 (a)(2)(ii), only copies of foreign patent documents and/or non-patent literature are enclosed. Copies of any listed U.S. patents or U.S. patent application publications can be provided upon request.

SE 458 806 is discussed on page 1 of the specification of this application but is erroneously identified as SE 548 806. Applicant apologizes for the typographical error in the application. The English-language EP reference, the FR reference and both DE references are cited in the International Search Report. The DE references are discussed at pages 2-3 of the specification of this application. The FR reference discloses the manufacturing of a solar collector. A joining paste 2 is applied to a first plate 1 and a second plate is pressed against the first plate. The paste is then cured and forms a connection and a distance member between the plates.

This statement is being filed within three months of the filing date of the application or before the receipt of a first Office Action on the merits. Please apply any charges or credits to Deposit Account No. 06-1050.
